

## Clarity Today. Certainty Tomorrow. <sup>TM</sup>

FinalWord Wills <sup>TM</sup> provides clear, professional UK will writing services designed to remove uncertainty and simplify decision-making. We support individuals, couples, and families across England & Wales, Scotland, and Northern Ireland, ensuring each will is prepared under the correct legal framework.

Our service begins with a free telephone consultation, followed by structured client intake and careful drafting. Fees are waived when FinalWord Wills is appointed primary executor, offering peace of mind and continuity from preparation through execution.

### Services Include:

- Simple wills and mirror wills
- Complex estates and multi-beneficiary arrangements
  - Executor appointment and estate administration
- Updates, amendments, and codicils where appropriate
